Hi Rick -

Please add the following to this draft:

Amend 16.53(4) of the statutes to allow endorsement and filing to be electronic.

Current interpretation of this paragraph is that agencies must print and file copies of payment transactions. We would like to clarify that printing is not necessary and that filing can be within the information systems of the agency (i.e. not in the secretary's office).

I'm at my desk if you have questions.

Thanks,

Scott

Rick -

Instead of the changes to 16.53(4) could a sentence be added that said something to the affect of:

"The secretary may authorize internal control procedures to satisfy the requirements in this paragraph electronically."

There is some discomfort with the current draft.

Please call if you have questions.
